

Desktop storyboard

page 1 / 2

Header

Heading grows to 3rem. Everything is still centred.

Navigation

All five links fit on one line at this width.

Container

Content sits inside the 950 px container with 2rem padding.

Photo

Home photo grows to 180 × 180 px.

Footer

Footer keeps the same width and colours.

Files:

- index.html
- professional.html
- personality.html
- development.html
- other.html
- style.css

Desktop page flow

The desktop shell stays the same across all five files. Cards are still stacked, not placed side-by-side.
